

# Shaik Aman Sayer

## Analyst

Analyst at Google Operations Center with a track record of delivering exceptional support for a critical Google product. Adept at problem-solving and driving process improvements. Complemented by a strong foundation in front-end web development, including HTML, CSS, and JavaScript. Google product support by day, UI wizard by night. I solve problems and build awesome things. Let's talk about how I can add value. Also open for Technical support roles.
